17894 To receive Declaration of Interest on any item on the agenda

No declaration of interests received.

17895 To suspend the meeting to hold a public session and receive reports from Police, District & County Councillors

No members of the public present. District Cllr June Evans submitted her District Council report – see attached.

17896 To receive the Chair's report

Cllr June Evans submitted her Chair's report in her absence.

- Police Station lease – this is currently ongoing with our solicitors to help draft a new lease for consideration by the Police
- Local Government Reorganisation – This evening, Bassetlaw District Council will be voting on which model of unity structure they support for Nottinghamshire. There are some 'difference of options' on the preferred model, but it seems there is a preference for two unitary structures. Ultimately, the decision lies with the Government.
- What does this mean for Bassetlaw? There will be no Bassetlaw Council, possible from 2028. The number of elected District Councillors will probably reduce, and Officers will have to apply for position in the new unitary.
- What will this mean for Parish/Town Councils? This is unknown, BUT the government has spoken of devolving down some responsibilities. To do this, it may be necessary to have a number of councils working together – we have to wait and see.
- Events
 - The Halloween event was highly successful. The children danced to the music provided by the D.J and the free drinks and hot dogs went down a treat
 - Winter Wonderland – preparations are well in hand, Santa is ready to attend, and we will see the delivery of the new Christmas tree.
 - Community Events – We are seeing ongoing use of the town hall by Community groups, which we welcome. Yesterday saw an indoor market with stalls manned by local residents selling crafts, and new and used items.

Finally, I want to thank you for your support during the past year, and I wish you all a happy Christmas and New Year.

17908 To consider the draft proposal for the review of the Police station lease

17909 To consider items for the 2026-27 budget

Suggestions were put forward were;

- The refurbish of the hall floor- budget
- Upgrading of lighting in the hall and rooms - EMR
- Upgrading of the new cemeteries – CCTV etc. - EMR
- Corporate branding on the staff uniforms - budget
- Allocating staff parking spaces – staff no areas
- Forward planning costs to purchasing of decorations for annual events i.e. Christmas lighting events, Halloween – budget/EMR
- Work to the new cemetery hedges and wood - EMR

Costings would be required for the above; plus, some items will be part of the current earmarked reserves.

The Officer went through the September budget with the Councillors; it was noted that for the first six months the income received to date is 95.7% and expenses cost is 56.3%. Coming up to the end of the year we are hoping that some of our projects will be moving forward so money from the EMRs will also be spent before 31st of March.

The Officer also explained that some of the usual annual guaranteed income on the budget may not be guaranteed this and next year until the Local Government Reorganization takes over; it is not 100% clear what will be happening with income from the leases, rent and grants.

The Officer then discussed how she is estimating various income and expenses so that we can estimate the income and expenses as of 31st March 2026 and also for 2026-27 budget.

After consideration, Cllr Flynn approved looking into the above suggestions and noted the Officers comments; this was seconded by Cllr James and resolved by the Council.

17910 To receive items for information

Items suggested for the next meeting:

- to review the building and purchase of five screens for the hall

County Councillor Hanan John joined the meeting and at this point gave her county report.

The Next Town Council meeting will be held on Monday 15th December 2025 at 6.30pm in the Town Hall, Scrooby Road, Bircotes, DN11 8JP.

District Councillor Report

Budget Conversation

Bassetlaw District Council is once again inviting residents to engage in the Budget Conversation, launched on 12th November 2025 for six weeks, with the council inviting as many people as possible to share their feedback.

The results of the survey will be used as part of the budget setting process, culminating in the annual budget meeting on 26th February 2026, where Bassetlaw District Council will set spending for the next fiscal year and agree yearly savings targets for the following two years until March 2029.

Those who complete the survey also have the chance to win one of ten £25 Love2Shop vouchers. To take part in the five-minute survey visit www.bassetlaw.gov.uk/budget-2025 or pick up a hard copy from the council offices.

Background Information: Each year, the council invests around £21 million to deliver essential services, drive forward important local projects, and support vital community initiatives, ensuring resources make a real difference for residents. Thanks to careful planning and a strong financial strategy, Bassetlaw District Council is well-positioned to manage future challenges, with a modest £2million gap projected over the next three years to March 2029, providing a clear focus for targeted efficiencies and innovation.

Last year over 80% of saving proposals were provided by transforming council services, including improving efficiency, a reduction in council running expenses such as reducing agency spend and reducing back-office costs, whilst maintaining front line numbers. This helped a total saving of £1.1million.

Kerbside Glass Collections

B.D.C. has this month started the weekly distribution of the 180 litre black bins to be used for glass, beginning with households in the north-east of the district. Deliveries are expected to continue up to the end of February 2026. Bins will be left outside properties and residents are advised to keep them with their other bins until the first collections begin from 30th March 2026.

Collections will begin from 30th March 2026 and will take place every six weeks. More information on delivery days for each area will be made available in the new year. More information about this new kerbside glass recycling service is available at [Black bin for glass | Bassetlaw District Council](#) where you'll find a list of helpful FAQs and a delivery schedule for the whole of Bassetlaw.

Garden Waste Collections

Next year the service will begin on Monday 23 February 2026, with residents able to sign-up or renew their subscriptions from Monday 1 December 2025. Next year's subscription has increased slightly to £45 due to the increased costs of providing the garden waste service, and so more investment can be made to improve the service.

In 2026, residents will not need to put a licence sticker on their brown garden waste bins due to in-cab technology in the refuse collection vehicles that will identify which properties have subscribed to our Garden Waste Service.

The quickest and easiest way to renew your subscription or to sign-up as a new customer is by visiting the Garden Waste page at: www.bassetlaw.gov.uk/gardenwaste. Alternatively, you can call 01909 534 524

Update: In 2025, over 15,000 residents subscribed to the garden waste collection scheme, and 4,059 tonnes of garden waste was collected, which demonstrates that the service continues to grow.
